## Clinic Volunteers Needed!!!

We're looking for some parents to come in from 11:00-1:00 and tend to any sick children during lunch. You can work as frequently or infrequently as you want. No medical experience necessary. If you're interested please contact Colleen at [simply-red@juno.com](mailto:simply-red@juno.com).

### Next Meeting

Monday, October 22<sup>nd</sup> at 6:00

We'd like to offer snacks to the kids during home games this year. To make this successful, we need parents to sign up for concession sales. Please consider helping out at a sporting event. If your child plays football, perhaps you can help out at a basketball sale so as not to interfere with watching your own child. It is also a great way to bring your own children to watch and support their friends while playing.

We are currently asking for volunteers for the fall season.
